ORGILEEN™
PRIVATE LIMITED
Quality That Builds Trust.

## Believe To Deliver

# Best Quality...

## Director Message :

**At Orgileen,** our inception and vision has been to bring pure, natural, and innovative products to the world. We deliver uncompromised quality, ensuring that every drop and fragrance we create adds value to lives. As we grow, our commitment remains the same, which is to serve our customers with honesty, integrity and care.

## About Us :

**Orgileen Pvt. Ltd.,** a part of the Green Leaf Group of Industries, was established in 2018. Based in Surat, Gujarat, India, we manufacture & export a wide range of natural products, including essential oils, carrier oils, spice oils, hydrosols, waxes and fragrances. Guided by our belief that **"Customer is the king,"** we prioritize delivering high-quality products through efficient manufacturing and exceptional customer service to meet the needs of both domestic and international clients.

## Our Group Of Companies /Our Ventures :

**Orgileen** is part of a dynamic group of ventures under the Green Leaf Group of Industries. Each of our companies is rooted in innovation, authenticity and customer-centric values. with businesses spanning essential oils, carrier oils, fragrances, natural extracts and wellness products, our group shares a common vision of delivering sustainable products worldwide.

## Mission :

**Our mission** is to build our business on customer trust by delivering high-quality products & superior services, driven by advanced technology and innovation.

## Vision :

**Our vision** is to become a global leader by building strong bond with our valued customers & delivering innovative products that enhance the quality of people's lives.

## Core Values :

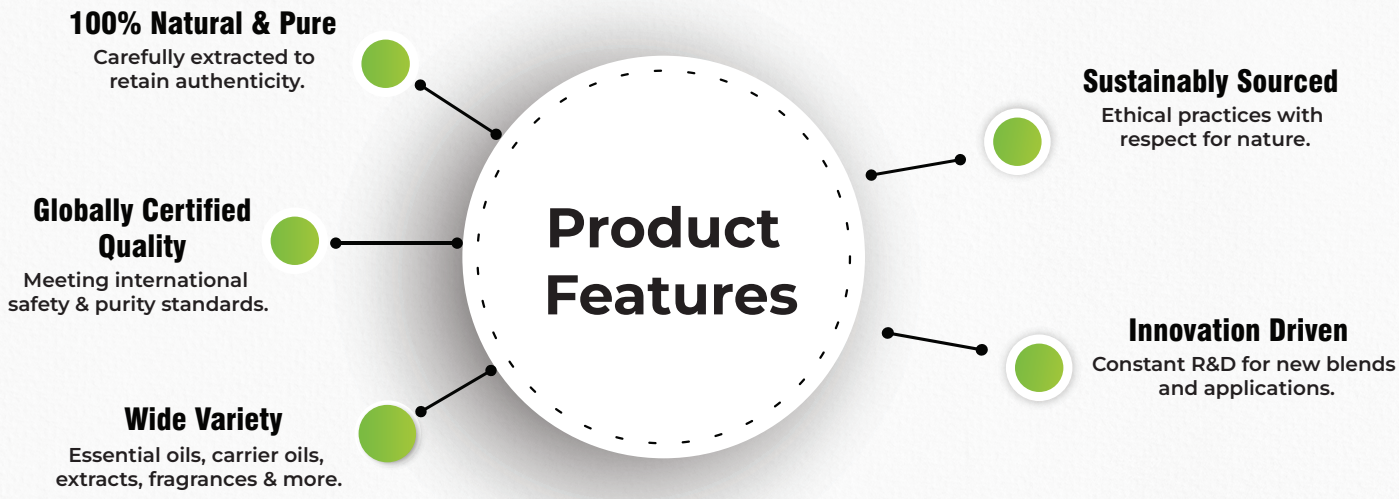

**We prioritize** honesty, integrity & business ethics in all aspects of our operations. we are committed to treating our customers with respect & trust, while fostering growth through creativity, innovation and invention.

## Business Journey :

Beginning in 2018 as GreenLeaf Herbal to today's identity as **Orgileen**, our journey reflects growth, trust and innovation. What started with a handful of natural oils has now evolved into a wide portfolio of essential oils, spice oils, hydrosols, waxes, fragrances and more.
